

Sequoia Alumni! Join us for Homecoming 2022

The Sequoia HS student body wishes to cordially invite all school alumni to the 2022 Homecoming Football Game and pregame tailgate. On Friday, October 21 Sequoia will host Santa Clara High School at Terremere Field at 7:00 PM. Prior to kickoff, please join us at 5:30 PM beneath the trees in the beautiful front park of campus (see map below) for dinner and socializing. Upon entry to the stadium, there will be a special section of the bleachers designated for Sequoia alumni and you'll have the opportunity to enjoy both the game and our most robust halftime entertainment show of the season, featuring performances from Sequoia's award-winning dance program and our Homecoming Float parade.

Tickets can be purchased on site. The \$20 ticket package will include dinner, admission to the game and a special edition Homecoming game day shirt. Alumni ticket package space may be limited - Reserve your spot today by going to tinyurl.com/seqhomecoming2022.

Please contact Student Activities Director Corey Uhalde with any questions. (cuhalde@seq.org)
